5. Sports tournament announcement

Company trip to Shell

We are happy to announce that we arranged a company trip to Shell in **Amsterdam** this spring. The trip is scheduled for the **7th of May**. You can sign up for the trip by sending an email to Egor: e.fufachev@uu.nl.

New board members

As most of you have heard already at NCCC, both **Roy van den Berg** (Secretary) and **Anastasiya Bavykina** (Treasurer) have **left** the NPP. Thank you both for all the hard work and effort you put into the NPP! Egor Fufachev (secretary), Anne Jans (Treasurer), and Fenna van de Watering (Communications) have taken over their positions.

After CAIA-exam drinks

Refreshments were offered to all CAIA-exam participants after a very **long (!) sit**. Many people stayed for a **drink** to calm down the nerves and catch up on Schiermonnikoog-adventures. We hope that many of you passed the exam and are happy to see that so many of you showed up for a couple of drinks.

Bowling tournament winners

No successful NCCC without a bowling competition, right?! We are happy to announce that this year's **winners** are: Dimitrije Cicmil, Joe Stewart Zoran Ristanović, Fouad Soulimani, and Gareth Whiting from the University of Utrecht. Congratulations!

Save the date

The winners of last year (University of Nijmegen) will organise this year's **sport tournament**. The date is set on **Friday the 3rd of July**. More information will be announced soon.
